### **PROFIT WARNING**

This announcement is made by Noble Engineering Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of the directors (the “**Directors**”) of the Company wishes to inform the potential investors and shareholders of the Company (the “**Shareholders**”) that, based on a preliminary review on the unaudited consolidated management accounts of the Group for the nine months ended 31 December 2021 and the information currently available to the Board, the Group is expected to record consolidated net loss within the range of approximately HK\$10.0 million to HK\$15.0 million for the nine months ended 31 December 2021, as compared to a consolidated net profit of approximately HK\$1.2 million of the corresponding period in 2020. Such expected consolidated net loss is mainly attributable to a decrease in gross profit margin for the Group’s business due to (i) our continuing proactive pricing strategy in response to increasingly competitive market conditions; (ii) the decrease in government subsidy received under the “Anti-epidemic Fund” due to the outbreak of the coronavirus disease (COVID-19); and (iii) the increase in direct costs incurred from (a) unexpected additional subcontracting costs incurred to deal with unexpected changes to the on-site arrangements for certain construction projects of the Group and (b) delays in certain projects.

The information contained in this announcement is based on the preliminary assessment made by the Board with reference to the information currently available and the unaudited consolidated management accounts of the Group for the nine months ended 31 December 2021 and the information currently available to the Board, which have not been audited or reviewed by the Group’s auditors or audit committee and may be subject to adjustment. Further details of the Group’s performance will be disclosed in the Group’s third quarterly results announcement for the nine months ended 31 December 2021, which is expected to be published on 11 February 2022.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
